

SUITE FOUR

SPARKLING WINE

Grape Sourcing

Quality grapes are carefully chosen from select grape-growing California regions, along the Northern Coast and then harvested at their peak.

Wine Making

Fermented slowly in stainless steel pressure tanks, bottled with a cork and a wire hood. Alcohol 11%.

Residual sugar 2.8 g/L. Total acidity 0.6g/100mL.

Sommelier Notes

Our Premium Sparkling Wine has aromas of green apple and nectarine with biscuit. It has a refreshing, slightly fruity flavor followed by a lingering, delightful finish.
